

**Position:** Experienced Auditor

**Announcement:** 15-70

**Company:** Tennessee Valley Authority, Office of the Inspector General

**Opening Date:** March 30, 2015

**Closing Date:** April 30, 2015

**Department:** Evaluations

**Work Location:** Chattanooga or Knoxville, Tennessee

**Salary Range:** \$61,000 to \$97,000

**Number of Available Positions:** One

The TVA Office of the Inspector General is a federally-mandated oversight organization charged with preventing and detecting fraud, waste, and abuse and fostering efficient and effective operations within the Tennessee Valley Authority. TVA is the largest government-owned electric utility in the United States, providing electricity to 9 million people in 7 states.

Evaluations is part of the Audits and Evaluations organization within the Office of the Inspector General. The Evaluations Department does not perform financial statement and SOX related audits. Evaluations instead focuses on assessing operations, programs, and initiatives. The objectives of the unit include providing a source of factual and analytical information, monitoring compliance, measuring performance, assessing the efficiency and effectiveness of operations, and/or conducting inquiries into allegations of fraud, waste, abuse, and mismanagement.

Principal Accountabilities:

1. Leads reviews of utility operations, programs, and initiatives
2. When leading reviews, may perform the supervisory review function as defined by the government auditing or evaluations standards.
3. Will routinely perform quality control reviews to ensure reviews comply with government auditing standards and that adequate evidence exists to support the findings and recommendations.
4. Prepares clear, concise reports for reviews that are well-supported and comply with office policy on report formats.
5. Periodically conducts risk assessments of TVA programs and operations to identify review areas for inclusion into the annual audit work plan.
6. May be asked to testify as an expert/witness in criminal and civil cases.

Desired Skills/Knowledge:

- Audit or related experience
- Knowledge of the electric utility industry
- Advanced data analysis techniques
- Professional certifications, i.e. CPA/CIA.
- Experience applying Quality Standards for Inspection and Evaluation.

Minimum Requirements:

- Bachelor's degree from an accredited college/university in Business, Accounting, Finance, or a related field of study.
- At least four years of audit or related experience.

**How to Apply:**

By April 30<sup>th</sup>, submit electronically a cover letter, resume to: [oigcareers@tvaoig.gov](mailto:oigcareers@tvaoig.gov). Announcement number should be included in the subject line of your email. Also, please note the source where you found the vacancy announcement.
